**Step 2: Submit Your Roster**— A preliminary roster must be submitted before registration or within 24 hours of registering your team. A final roster (**with no more than 3 additions**) must be turned in by your first night of the league. A final roster must include: Names, Addresses, Signatures and Telephone numbers of ALL players. Rosters may be submitted via email, fax, drop box or onsite. A minimum of 12 players are needed to register; maximum of 20. Minimum age to play is 16. ### Step 3: Picking the right league for your team

Registration will be accepted on first come first served basis for the summer season, with the exception of teams who won their league from the 2018 fall season (See pre-registration information listed below regarding teams winning their league). **League Fee is \$520 (double header)**. ### Pre - Registration

League winners from the **2018 fall** season will be allowed to pre-register their team for the **winter** season on Wednesday, Jan 2nd. Teams must move up into the next higher division or they may be dropped from the league without a refund. League winners from the "B" league will be allowed to pre-register into the "B" league since this is our highest division. Teams are not allowed to pre-register in the **winter 2019** season if they were not a league or tournament winner in the **fall 2018** season.

If a team won their league, but wishes to start a new team in the same division, they will only be allowed to keep a maximum of 3 players from the previous season's winning roster; otherwise they may be dropped from the league and charged a **\$100 fee**. Pre-registration is **NOT** an option for teams who change their roster and stay in the same league. (Changing your team name and/or coach does NOT qualify as changing your roster).
